Note: All projects must comply with the State Building Code of the State of Nebraska, the Nebraska State Fire Code, the Nebraska State Electrical Code, and all other applicable laws, statues and regulations.

The issuance or granting of a permit, approval of plans and specifications shall not be construed to be a permit for or approval of any violations of any of the provisions of the State Building Code. No permit presuming to give authority to violate or cancel the provisions of the State Building Code shall be valid.

The issuance of a permit based upon plans, specifications and other data shall not prevent the Building Official from thereafter requiring the correction of errors in said plans, specification plans, specifications and other data, or from preventing building operations being carried on in violation of the State Building Code.

I certify that, to the best of my knowledge or belief, the information presented on this application is accurate.
